**PERFORMANCE REVIEW**

During the period under review your company has been able to clock a production of 1,56,819 MT of Sponge Iron, 2,28,188 MT of Billets and 95,924 MT of TMT Bars. With consistent capacity utilisation and better realisation, Company has able to achieve an EBITDA of ₹6,972.01 Lacs as against ₹11,259.47 Lacs for the last year.

For the period under review, finance cost has been provided amounting to ₹3,309.42 Lacs as against ₹674.46 Lacs in the last year. The company has a net profit of ₹354.08 Lacs (as against a net profit of ₹1,19,821.68 Lacs in the previous year on account of lower financial cost and exceptional item (gain) of ₹1,12,196.95 Lacs).

**INDIAN ACCOUNTING STANDARDS (Ind AS)**

As mandated by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards ("Ind AS") from 1<sup>st</sup> April, 2018 with a transition date of 1<sup>st</sup> April, 2017. The financial statements of the Company for the financial year 2018-19 have been prepared in accordance with Ind AS, prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and the other recognized accounting practices and policies to the extent applicable.

**FUTURE OUTLOOK**

Indian economy has been on a downward spiral since Q1 FY20. During the year, the GDP fell to a 27-quarter low of 4.7% by Q3 FY20 due to significant fall in manufacturing and agriculture output; however, service sector growth remained stable. On expenditure side, investments were very weak, registering a de-growth in H1 FY20, while the consumption was mainly supported by urban India. Some improvement in consumption was witnessed in Q3 FY20, mainly due to festivals and back to back rate cuts by Reserve Bank of India. Just when the fundamentals started to look up in January-February 2020, the COVID-19 outbreak adversely impacted the growth; imposition of a complete Nationwide lockdown since March 25,

2020 brought the economic activity to a standstill, especially in manufacturing & services sector. Except for the essential services, all other business activities were suspended. As a result, Q4 FY20 GDP grew at 3.1% and FY20 GDP grew at 4.2% as against 6.1 % in FY19. With the phased removal of the lockdown, economic activities have started to pick up and are expected to improve going forward. However, the environment is fluid and uncertain making it difficult to predict the likely path of economic activity.

In Calendar Year ("CY") 2019, the world crude steel production grew by 3.4% over CY 2018 largely driven by growth in Asia and Middle east with China remaining the world's largest crude steel producer with 996 million tons followed by India 111 million tons (up by 1.8% over 2018) and Japan 99 million tons in same period. However steel prices remained under pressure coupled with softening demand across the advanced and emerging economies. FY20 was a year of two halves for the steel industry. The first half witnessed a muted demand and subdued pricing environment. Key consuming segments experienced further downturn in Automotive & allied industries owing to high inventory and liquidity crunch. The second half started witnessing some recovery in later part of Q3FY20 on improved market sentiments with higher demand and uptrend in pricing, however this got squashed by COVID-19 led unprecedented disruption towards end March'20. The world steel Association and various analysts expect Indian Steel demand to contract by 18-20% in 2020 on the back of COVID-19 pandemic induced halt of economic and business activities. India's Apparent Steel Usage (ASU) growth for FY20 was estimated to be 5% but the weak demand from large consuming segments coupled with negative impact on business activities on account of COVID-19 led to a growth of only 1%. Steel ASU is estimated at 100.1 mt and India again became a net exporter of steel in FY20.

Construction is the only consuming sector which witnessed a marginal growth in FY20 over FY19. The sector remained weak till Nov'19 due to sluggish new investments, lower economic activities and continued liquidity crunch but started showing some signs of improvement from Dec'19 onwards on account of various stimulus and infrastructure push by the Government. However, halt in outdoor construction during the lockdowns has severely impacted the growth. India's steel demand is likely to contract by 15-18% in FY21 due to lockdown induced weakness in manufacturing and construction sectors.

At Shreeyam Power and Steel Industries, the first and foremost priority is the health and safety of the employees and the communities in which the Company operates while managing any impact for its customers and suppliers.

**FIXED DEPOSITS**

Your Company did not accept any deposit from the Public during the year under review.

**INSURANCE**

The Company's assets are adequately insured during the year under review.

**DISCLOSURE AS PER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013**

Your Directors state that the Company has complied with provisions relating to the constitution of Internal Complaint Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. During the year under review, there was no complaint filed pursuant to the said Act.

**HUMAN RESOURCES AND INDUSTRIAL RELATIONS**

Your Directors wish to place on record their deep appreciation to employees at all levels for their all-round efforts, dedication, commitment and loyal services during the period under review. The Company is privileged to have an excellent pool of human resources working with it. Communication exercises are treated as continuous process to keep the employees informed of the challenges being faced by the Company and also motivate them to take up higher responsibilities, in tune with the requirements of the Company.

During the period under review, the Company maintained healthy, cordial and harmonious industrial relations at all level. Your Directors wish to place on record their appreciation of the co-operation, valuable contributions, enthusiasm and unstinting efforts made by the employees and workers of the Company at all levels in the organization.

#### **PARTICULARS OF EMPLOYEES**

In terms of the provisions of Section 197(12) of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, a statement showing the names and other particulars of the employees as specified in the said rules are provided in "Annexure E". forming part of this report.

#### **MATERIAL CHANGES AND COMMITMENTS**

There is no material change and commitment has occurred, affecting the financial position of the Company, between the end of the financial year of the Company i.e. 31<sup>st</sup> March, 2020 and the date of this report except:

- ♦ The outbreak of COVID-19 and ensuing mobility restrictions severely impacted industrial activity and consumer sentiment;
- ♦ Due to these constraints which led to throttling of production by ~40% and Turnover by ~35% during 1QFY21 in comparison to 1QFY20. While sales in 1QFY21 lower, the Company significantly increased sales volumes in July with opening of economic activity in India and ramping up the supply chain capability;
- ♦ The Company is closely monitoring the situation and taking appropriate actions as per the directions issued by the regulatory authorities from time to time keeping in view the health and safety of its employees and the community and the interests of its customers and other stakeholders.

#### **SIGNIFICANT AND MATERIAL ORDERS**

There is no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status of the Company and the Company's operations in future.

#### **INTERNAL FINANCIAL CONTROLS**

The Company has in place adequate Internal Financial Controls with reference to financial statements. During the year, such controls were tested and no reportable material weakness in the design or operations were observed. The report on the Internal Financial Control issued by M/s Rupali Chandak & Company, Chartered Accountant, the Statutory Auditors of the Company in view of the provisions under the Companies Act, 2013 is given elsewhere in this report.

#### **COST RECORDS**

Cost records and accounts as specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 are made and maintained by the Company.

**CAUTIONARY STATEMENT**

Statements in the Board's Report describing the Company's objectives, expectations or forecasts may be forward-looking within the meaning of applicable securities laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include global and domestic demand and supply conditions affecting selling prices of finished goods, input availability and prices, changes in government regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations.

**ACKNOWLEDGEMENT**

Your Directors would like to express their sincere appreciation for assistance and co-operation received from the Central, State Government and Local Authorities, Financial Institutions, Banks, Customers, Dealers, Vendors and all the stakeholders who have extended their valuable support and encouragement during the year under review.

Your Directors also take the opportunity to place on record their deep appreciation of the committed services rendered by the executives, staff and workers of the Company who have contributed significantly to the Company's performance.

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31<sup>ST</sup> MARCH, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies

(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

**SHREEYAM POWER AND STEEL INDUSTRIES LIMITED**

(CIN: U45200MH1995PLC090807)

621, Tulsiani Chambers, Nariman Point,

Mumbai (MH) - 400009

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Shreeyam Power and Steel Industries Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on 31<sup>st</sup> March, 2020 (Audit Period), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Shreeyam Power and Steel Industries Limited ("the Company") for the financial year ended on 31<sup>st</sup> March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder **(not applicable during the audit period)**;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder **(so far as made applicable during the audit period)**;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(so far as made applicable during the audit period)**;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 **(not applicable during the audit period)**;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 **(so far as made applicable during the audit period)**;

- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 **(not applicable during the audit period)**;
  - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 **(not applicable during the audit period)**;
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(not applicable during the audit period)**; and
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(not applicable during the audit period)**;
  - (i) The Listing Agreement entered into by the Company with BSE Limited and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 **(so far as made applicable during the audit period)**;
- (vi) We further report that having regard to adequate systems and processes are in place to monitor and ensure compliance with general laws like labour laws, environment laws on examination of the relevant documents and records in pursuance thereof, on test check basis and as represented by the Company and its officers, the company has complied with the following general laws applicable to the company:
- (a) Electricity Act, 2003 and the rules thereto;
  - (b) The Environment (Protection) Act, 1986 and other laws as prescribed thereunder;
  - (c) Factories Act, 1948;
  - (d) The Payment of Wages Act, 1936;
  - (e) The Payment of Bonus Act, 1965;
  - (f) The Payment of Gratuity Act, 1972;
  - (g) Employees' State Insurance Act, 1948;
  - (h) The Employees Provident Fund & Miscellaneous Provisions Act, 1952;
  - (i) Industrial Disputes Act, 1947;
  - (j) The Contract Labour (Regulation and Abolition) Act, 1970;
  - (k) The Workmen Compensation Act, 1923;
  - (l) Equal Remuneration Act, 1976;
  - (m) Prevention of Money Laundering Act, 2002;
  - (n) Water (Prevention and Control of Pollution) Act, 1974;
  - (o) The Air (Prevention and Control of Pollution) Act, 1981;
  - (p) The Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013

We have also examined compliance with the applicable clauses of Secretarial Standards issued by "The Institute of Company Secretaries of India".

**We further report that** as per explanations and representations made by the management and subject to clarification given to us, the company has complied with the provisions of the act, rules, regulations, guidelines.

I further report that the Company has:-

1. issued and allotted on 29/03/2019 secured 1270, 18% Non Convertible Debentures (NCDs), of ₹ 10,00,000/- each, amounting to ₹ 127,00,00,000/- on private placement basis. The proceeds of debentures has been utilised for repayment to Banks liability under settlement and for working capital;  
The said debentures were listed on Stock Exchange i.e. BSE Ltd. w.e.f. 15<sup>th</sup> April, 2019;
2. Provisions of the Central Sales Tax Act, 1956, Income Tax Act, 1961, VAT Act have been duly complied by the management except the liabilities undisputed, the details of which are mentioned in Independent Auditors' Report for the Financial Year ended on 31<sup>st</sup> March, 2020;
3. Some of the Forms are filed with Registrar of Companies with Additional Fees.

**We further report that** the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent as per provision of the Act, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

**We further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**We further report that** during the audit period, there were no instances of:

- (i) Public/Rights/sweat equity;
- (ii) Redemption/ buy-back of Securities;
- (iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013;
- (iv) Merger/ amalgamation/ reconstruction etc.;
- (v) Foreign technical collaborations.

## Annexure – C to Board's Report

**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS  
AND OUTGO**

*[Pursuant to Section 134(3)(m) of the Companies Act 2013 read with Rule 8(3) of the Companies  
(Accounts) Rules, 2014]*

**(A) CONSERVATION OF ENERGY****The steps taken or impact on conservation of energy:**

The Company has established the energy conservation practices as a continual improvement process in all manufacturing units. The results have been encouraging. Energy Audit of all utilities was carried out by BEE approved/ Government approved Auditors. In-house training programme on Energy conservation was organized and participated by plant engineers.

Following energy conservation steps have been taken during the year:

**In Thermal Power Plant (TPP):**

- i. Implementing 3.3 KV Mid voltage VFD's in Boiler Feed Pump for optimum utilization, reduction of power consumption and increase in efficiency;
- ii. Water is a fast depleting source of Energy. We taken an initiative for saving the water in PF Boiler wet scrapper and achieved better results;
- iii. By optimizing types of coal mixtures and air ratio, there is significant improvement in PF Boiler efficiency, Plant Loading factor and Plant utilization factor;
- iv. Further as a continual improvement in process developed in-house Diffuser for coal firing leads reduction in Un-burnt and Nox;
- v. As a continual improvement, reduction in power consumption in Air compressors by optimum usage of service air;
- vi. Energy management system for load sharing & monitoring was installed for optimum distribution of power for different production centre's and there by injecting excess power to the MV Grid and/or reduce the generation according to the needs;

**The steps taken by the Company for utilising alternate sources of energy :**

During the year under review no alternate source of energy has been utilised.

**Capital investment on energy conservation equipments**

NIL

**(B) TECHNOLOGY ABSORPTION**

**1) RESEARCH & DEVELOPMENT**

The Company undertakes on a continuous basis, various activities such as the development of new products and processes, cost reduction, improvement in quality and productivity and import substitution.

During the year under review the Company has made improvement in the plant. Sponge Iron plant is using various types of coal and the results are encouraging.

Development is underway for feasibility of feeding and rolling of HOT billets directly from casting machine.

In Steel melting shop new grades have been successfully developed.

**2) TECHNOLOGY ABSORPTION**

The Company has adopted Indian technology for all its manufacturing Units which have been fully absorbed. All the machines are supplied by renowned Indian Suppliers; The Company is having policy of providing training and induction to employees and all shift supervision is done by qualified Engineers, the Technology is well transmitted and absorbed by Operational and Maintenance (O&M) staff. The Thermal Power Plant O&M staff is fully trained & Chinese equipment technology is fully absorbed, training was given by Chinese Engineers & Indian consultants.

**C) FOREIGN CURRENCY EARNINGS AND OUTGO**

During the year, Company has earned ₹ 3,791.55 Lacs (in previous year ₹ 176.29 Lacs) towards foreign exchange. The Company imported certain components and raw material of ₹ 8.38 Lacs as against previous year of ₹ 1,705.56 Lacs.

**INDEPENDENT AUDITOR'S REPORT****TO THE MEMBERS OF SHREEYAM POWER AND STEEL INDUSTRIES LIMITED****Report on the Standalone Ind AS Financial Statements Opinion****Opinion**

We have audited the accompanying Ind AS financial statements of **SHREEYAM POWER AND STEEL INDUSTRIES LIMITED** ("the Company"), which comprises the Balance Sheet as at 31<sup>st</sup> March 2020, the Statement of Profit and Loss (including other comprehensive income), the statement of Cash Flow Statement and the statement of changes in equity for the year ended, and a summary of significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2020, and its Profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**Basis of Opinion**

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

**Key Audit Matter**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Information Other than the Financial Statements and Auditor's Report Thereupon**

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report 2019-20, but does not include the Standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of standalone Ind AS financial statements, our responsibility is to read the other information and in doing so, consider whether such other information is materially

inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### **Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flow and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind SA) prescribed under Section 133 of the Act, read with relevant issued there under. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility for the Standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with standards on auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies

Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure - A statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c) The Balance Sheet, the statement of Profit and Loss (including other comprehensive income), the statement of cash flow, and the statement of changes in equity dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on 31 March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure – B" and;
- g) With respect to the other matters to be included in Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended:

**ANNEXURE "B" TO THE AUDITORS' REPORT****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****To the Members of Shreeyam Power and Steel Industries Limited**

We have audited the internal financial controls over financial reporting of Shreeyam Power and Steel Industries Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year on that date.

**Management's Responsibility for Internal Financial controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial control over financial reporting with reference to these Ind AS financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements.

**Meaning of Internal Financial Controls over Financial Reporting with reference to these Standalone IND AS Financial Statements**

A Company's internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these IND AS Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**SIGNIFICANT ACCOUNTING POLICIES****1.1 CORPORATE INFORMATION**

**SHREEYAM POWER AND STEEL INDUSTRIES LIMITED**, ('the Company') CIN NO. U45200MH1995PLC090807 was incorporated on 19<sup>th</sup> July, 1995, having registered office at Office No. 103, Floor 1st, Plot No. 211, Dalamal Tower, Free Press Journal Marg, Nariman Point, Mumbai - 400021, is working through its two manufacturing plants at Gandhidham (Gujarat) and Pithampur (Dhar (M.P.) with manufacturing, trading and other incidental & related activities.

**1.2 BASIS OF PREPARATION AND PRESENTATION****a. Statement of Compliance**

The Company's financial statements for the year ended 31<sup>st</sup> March 2020 have been prepared in accordance with Indian Accounting Standards (Ind AS) as per Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, notified, under Section 133 of Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

**b. Functional and Presentation Currency**

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency.

**c. Basis of measurement**

The financial statements have been prepared on the basis of going concern under the historical cost basis convention using the accrual method of accounting except for certain financial assets and liabilities and defined benefit plan assets measured at fair value.

**d. Use of Estimates**

The preparation of financial statements requires management to make estimates assumptions and judgements that affect the reported balances of assets and liabilities and disclosures as at the date of the financial statements and the reported amounts of income and expenditure for the periods presented. Actual results may differ from the estimates considering different assumptions and conditions.

Estimates and underlying assumptions are reviewed on ongoing basis. Impact on account of revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

**e. Judgements**

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes: -

Note No.	Particulars
2.1 (a) (iv) & (v) and (e)	Useful life of Property, plant and equipment
2.1 (j)	Defined benefit obligation
1.2 (f)	Estimated Fair Values of Unlisted Shares
2.1 (k) iii	Recognition of Deferred taxes

**f. Measurement of Fair Values**

The Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ♦ In the principal market for the asset or liability, or
- ♦ In the absence of a principal market, in the most advantageous market for the assets or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described below. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (Level 3 inputs).

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

**2.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES****a. Property, Plant and Equipment**

- i. Property, plant and equipment (PPE) are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- ii. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.
- iii. Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

- iv. Depreciation on property, plant and equipment is charged using straight line method, based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Each part of an item of Property, Plant & Equipment with a cost that is significant in relation to the total cost of the Machine is depreciated separately, if its useful life is different than the life of the Machine.
- v. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- vi. Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.
- vii. Spare parts procured along with the Plant & Machinery or subsequently which meet the recognition criteria are capitalized and added in the carrying amount of such item. The carrying amount of those spare parts that are replaced is derecognised when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as “stores & spares” forming part of the inventory.

**b. Intangible assets**

- i. Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.
- ii. Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. All other expenditure on internally generated goodwill and brands, is recognized in the Statement of Profit or Loss as incurred.
- iii. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

**c. Capital Work in Progress**

- i. Expenditure incurred on assets under construction (including a project) is carried at cost under Capital Work in Progress. Such costs comprise purchase price of asset including import duties and non-refundable taxes after deducting trade discounts and rebates and costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- ii. Cost directly attributable to projects under construction include costs of employee benefits, expenditure in relation to survey and investigation activities of the projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, professional fees, expenditure on maintenance and up-gradation etc. of common public facilities, depreciation on assets used in construction of project, interest during construction and other costs if

attributable to construction of projects. Such costs are accumulated under "Capital works in progress" and subsequently allocated on systematic basis over major assets, other than land, on commissioning of projects.

- iii. Capital Expenditure incurred for creation of facilities, over which the Company does not have control but the creation of which is essential principally for construction of the project is capitalized and carried under "Capital work in progress" and subsequently allocated on systematic basis over major assets, other than land, on commissioning of projects, keeping in view the "attributability" and the "Unit of Measure" concepts in Ind AS 16- "Property, Plant & Equipment". Expenditure of such nature incurred after completion of the project, is charged to Statement of Profit and Loss.

**d. Leases**

- i. Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.
- ii. Leased assets: Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.
- iii. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.
- iv. A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- v. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

**e. Depreciation**

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method, and is recognised in the statement of profit and loss.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Assets	Management estimate of useful life	Useful life as per Schedule II of the Companies Act, 2013
<b>Building :</b>		
i) Factory	30 Years	30 Years
ii) Other than Factory Building	60 Years	60 Years
<b>Plant &amp; Machinery :</b>		
i) Use in Steel Manufacturing	20 Years	20 Years
ii) Power Generation, Transmission and Distribution	40 Years	40 Years
iii) Continues Process Plant not covered under special Plant & Machinery	25 Years	25 Years
iv) Other than continuous Process Plant not covered under special Plant & Machinery	15 Years	15 Years
v) Pipelines	12 Years	12 Years
Office Equipment's	5 Years	5 Years
Computer Equipment's	6 Years	6 Years
Furniture and Fixtures	10 Years	10 Years
Vehicles	8 Years	8 Years
Intangible Assets: Computer Software	3 Years	3 Years

**f. Inventories**

- i. Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- ii. Cost of raw materials, stores and spares, packing materials, trading and other products are determined at Cost, with moving average price basis.

**g. Financial Instruments**

**I. Financial Assets**

**A. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

**B. Subsequent measurement****Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories is measured at fair value through the profit and loss (FVTPL).

**C. Investment in subsidiaries, Associates and Joint Ventures**

Investment in Equity shares & Mutual Funds etc., are classified at FVTPL.

**D. Other Equity Investments**

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

**E. Impairment of financial assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- ♦ The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ♦ Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk, full lifetime ECL is used.

**II. Financial Liabilities****A. Initial recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

**B. Subsequent measurement**

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**Derivative financial instruments and Hedge Accounting**

The Company plans to use various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes in interest rates, exchange rates and commodity prices, as and when such transactions are entered into. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

**C. Hedges that meet the criteria for hedge accounting are accounted for as follows:****a) Cash flow hedge**

The Company plans to designate derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions, as and when such transactions are entered. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction

is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified to the Statement of Profit and Loss.

**b) Fair Value Hedge**

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Statement of Profit and Loss over the period of maturity.

**D. Derecognition of financial instruments**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109 Financial Instruments. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires. A gain or loss on a financial liability that is measured at amortised cost and is not part of a hedging relationship is recognised in Statement of Profit and Loss.

**h. Foreign currencies transactions and translation**

- i. Transactions in foreign currencies are initially recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.
- ii. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.
- iii. Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

**i. Revenue recognition**

**Sale of Goods**

The Company derives revenues primarily from sale of steel, iron and other products.

For sale of goods, revenue is recognised when control of the goods has been transferred at a point in time i.e. when the goods have been delivered to the specific location (delivery).

Following delivery, the customer has full discretion over the responsibility, manner of distribution, price to sell the goods and bears the risks of obsolescence and loss in relation to the goods. A receivable is recognised by the Company when the goods are delivered to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due. The Company considers the effects of variable consideration, the existence of significant financing components, noncash consideration, and consideration payable to the customer (if any).

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from operations includes sale of goods, services, service tax, excise duty and adjusted for discounts (net).

As per the provisions of Ind AS 115 revenue from contracts with customers is recognised when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods before transferring them to the customer.

The disclosures of significant accounting judgments, estimates and assumptions relating to revenue from contracts with customers are provided in Note 2.2 (a) and there is no material impact of adoption of Ind AS 115 on financial statements.

Revenue from exports benefits measured at the fair value of consideration received or receivable net of returns and allowances, cash discounts, trade discounts and volume rebates.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

**Interest Income**

Interest income from a financial asset is recognised using effective interest rate (EIR) method.

**Dividends**

Revenue is recognised when the Company's right to receive the payment has been established, which is generally when shareholders approve the dividend.

**Insurance Claims**

Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted to the extent that there is no uncertainty in receiving the claims.

**Other Operating Income**

Export incentives receivable are accounted for when the right to receive the credit is established and there is no significant uncertainty regarding the ultimate collection of export proceeds.

**j. Employee Benefits Expense****Short Term Employee Benefits**

- i. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

**Post-Employment Benefits****Defined Contribution Plans**

- ii. A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

**Defined Benefit Plans**

- iii. The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.
- iv. The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.
- v. The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees.
- vi. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.
- vii. Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

**Employee Separation Costs**

- viii Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

**k. Income Taxes**

- i. The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

**- Current tax**

- ii. Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

**- Deferred tax**

- iii. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.
- iv. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

**l. Provisions, Contingent Liabilities and Contingent Assets and Commitments**

- i. Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.
- ii. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- iii. Contingent liabilities are disclosed on the basis of judgment of management. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.
- iv. Contingent assets are not recognized but are disclosed in the financial statements when inflow of economic benefits is probable.

**m. Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a right issue to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**n. Dividend Distribution**

Dividend distribution to the Company's shareholders is recognised as a liability in the company's financial statements in the period in which the dividends are approved by the Company's shareholders.

**o. Statement of Cash Flows**

**i. Cash and Cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the relevant Accounting Standard.

**p. Finance Cost**

**i.** Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

**ii.** Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

**iii.** All other borrowing costs are expensed in the period in which they occur.

**q. Impairment of non-financial assets - property, plant and equipment and intangible assets**

**i.** The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

**ii.** An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-

tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

- iii. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

**r. Operating Cycle**

The Company presents assets and liabilities in the balance sheet based on current / non-current classification based on operating cycle.

**An asset is treated as current when it is :**

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle;
- b. Held primarily for the purpose of trading;
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

**A liability is current when:**

- a. It is expected to be settled in normal operating cycle;
- b. It is held primarily for the purpose of trading;
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The company has identified twelve months as its operating cycle.

## 2.2 CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**a) Revenue Recognition**

The Company's contracts with customers include promises to transfer goods to the customers. Judgement is required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with

elements such as schemes, incentives, cash discounts, etc. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period.

Estimates of rebates and discounts are sensitive to changes in circumstances and the Company's past experience regarding returns and rebate entitlements may not be representative of customers' actual returns and rebate entitlements in the future.

Costs to obtain a contract are generally expensed as incurred. The assessment of these criteria requires the application of judgement, in particular when considering if costs generate or enhance resources to be used to satisfy future performance obligations and whether costs are expected to be recovered.

**b) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets**

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

**c) Recoverability of trade receivable**

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

**d) Provisions**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

**2.3 Settlement with Banks /Lenders**

- i. During the previous year, the company has entered into a one-time settlement ('OTS') with various Banks & an Assets Reconstruction Company (ARC) in respect of loans taken from them. Pursuant to this settlement, certain principal portion of terms loans and interest have been waived off by the Banks & ARC. The interest component also covers Funded Interest

Term Loans ('FITL') which were obtained by conversion of outstanding interest in the earlier years.

Pursuant to One-time settlement (OTS), Company has agreed to pay ₹ 352.80 Crs to all the Banks and ARC.

- ii. Secured Borrowings from the below mentioned Banks has assigned to financial institution together with all their rights, title and interest in the financial documents and any underline security interest / pledges and / or guarantees in respect of such loans:

Name of the Bank	Date of Loan Transferred	Name of Financial Institution
State Bank of Hyderabad	03.10.2015	Edelweiss Asset Reconstruction Company Limited
State Bank of Travancore	28.12.2015	Edelweiss Asset Reconstruction Company Limited

#### 2.4 Non Convertible Debentures (NCDs)

During the previous year, company had issued secured 1270 Non Convertible Debentures (NCDs), of ₹ 10,00,000/- each, amounting to ₹ 127,00,00,000/- on private placement basis. The proceeds of debentures has been utilised for repayment to Banks liability under settlement and for working capital.

The said debentures were listed on Stock Exchange i.e. BSE Ltd. w.e.f. 15<sup>th</sup> April, 2019.

#### 2.5 Preference Shares

During the previous year, company had pursuant to the agreement with the creditors has issued 0.001%, 1,62,30,645 Redeemable Preference Shares of ₹ 100/- each at par amounting to ₹ 1,62,30,64,500/-.

<b>Defined Benefit Plan :</b>		
<b>I. Reconciliation of opening and closing Balances of Defined Benefit Obligation</b>		
	<b>Gratuity (Non-Funded)</b>	
Defined Benefit Obligation at beginning of the year	114.46	96.68
Current Service Cost	22.28	20.88
Interest Cost	8.92	7.60
Benefits Paid during the years	(3.66)	(3.46)
Actuarial (Gain)/Loss	95.51	(7.23)
<b>Defined Benefit Obligation at year end</b>	<b>237.51</b>	<b>114.47</b>
	<b>Gratuity (Non-Funded)</b>	
	<b>As at</b>	<b>As at</b>
	<b>31.03.2020</b>	<b>31.03.2019</b>
<b>II. Reconciliation of fair value of Assets and Obligations</b>		
Fair value of Plan Assets	-	-
Present Value of Obligation	237.51	114.47
Amount recognised in Balance Sheet [Surplus/(Deficit)]	(237.51)	(114.47)

(₹ in Lacs)

	Year ended 31.03.2020	Year ended 31.03.2019
<b>Gratuity (Non-Funded)</b>		
<b>Expenses recognised during the year</b>		
<b>In Income Statement</b>		
Current Service Cost	22.27	20.88
Interest Cost	8.92	7.60
Past Service Cost	-	-
Return on Plan Assets	-	-
<b>Net Cost</b>	<b>31.19</b>	<b>28.48</b>
<b>In Other Comprehensive Income</b>		
Actuarial (Gain)/Loss	95.51	(7.23)
Return on Plan Assets	(8.80)	(6.14)
<b>Net (Income)/Expenses for the period recognised in OCI</b>	<b>(86.71)</b>	<b>(13.37)</b>
<b>Gratuity (Non-Funded)</b>		
	<b>2019-20</b>	<b>2018-19</b>
<b>Actuarial Assumptions</b>		
Indian Assured Lives Mortality (2006-08)		
Discount rate (per annum)	7.79%	7.86%
Expected rate of return on plan assets (per annum)	-	-
Rate of escalation in salary (per annum)	5.00%	5.00%
Expected Average remaining working lives of employees Years	17	18
Employee Turnover	2%	2%

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflations, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The expected rate of return on plan assets is determined considering several applicable factors, mainly the composition of Plan assets held, assessed risks, historical results of return on plan assets and the Company's policy for plan assets management.

#### Sensitivity Analysis

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employment turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of sensitivity analysis is given below:

	As at 31 <sup>st</sup> March, 2020		As at 31 <sup>st</sup> March, 2019	
	Decrease	Increase	Decrease	Increase
Change in discounting rate	0.07%	-	0.07%	-
Change in rate of salary Escalation	-	-	-	-

(All above figures as per the actuarial valuation report)

**36. CAPITAL MANAGEMENT**

The Company adheres to a robust Capital Management framework which is underpinned by the following guiding principles;

- a) Ensure financial flexibility and diversify sources of financing and their maturities to minimize liquidity risk while meeting investment requirements.
- b) Leverage optimally in order to maximize shareholder returns while maintaining strength and flexibility of the Balance sheet.

This framework is adjusted based on underlying macro-economic factors affecting business environment, financial market conditions and interest rates environment.

The gearing ratio at end of the reporting period was as follows.

	(₹ in Lacs)	
	As at 31 <sup>st</sup> March, 2020	As at 31 <sup>st</sup> March, 2019
Non-Current Liabilities (Other than DTL)	-	-

Cash and Cash Equivalents	723.01	2,684.68
Net Debt (A)	266.99	(1,394.68)
Total Equity (As per Balance Sheet) (B)	32,881.57	32,614.19
<b>Net Gearing (A/B)</b>	<b>0.008</b>	<b>(0.04)</b>

### 37. FINANCIAL INSTRUMENTS

All financial instruments are initially recognized and subsequently re-measured at fair value as described below:

Fair Value measurement hierarchy:

	(₹ in Lacs)	
	As at 31 <sup>st</sup> March, 2020	As at 31 <sup>st</sup> March, 2019
<b>Financial Assets</b>		
<b>At Amortised Cost</b>		
Trade Receivables	2,976.46	4,008.66
Cash and Bank Balances	1,131.36	2,917.57
Loans	129.49	73.53
<b>At FVTPL</b>		
Investments	71.14	68.17
<b>At FVTOCI</b>		
Investments	-	-
<b>Financial Liabilities</b>		
Borrowings	15,348.22	16,602.03
Trade Payables	14,442.10	13,985.86
Other Financial Liabilities	900.00	1,200.00

**Foreign Currency Risk:**

No Exposure to Foreign Currency

**Credit Risk**

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risk arises mainly from the outstanding receivables from customers.

The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The credit ratings/market standing of the customers are evaluated on a regular basis.

**Liquidity Risk**

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities. The Company maintains adequate cash and cash equivalents along with the need based credit limits to meet the liquidity needs.

**38. PAYMENT TO EARC AND DEBENTURE HOLDER**

Due to the outbreak of Novel Coronavirus (Covid-19) pandemic and nationwide lockdown since March 23, 2020 to contain the same, though enough liquidity SPSIL, with a view to conserve liquidity/resources for unforeseen situation, the Company has not paid an installment of ₹ 3,00,00,000/- due on 31/03/2020 to Edelweiss Assets Reconstruction Company Limited and monthly interest amounting to ₹ 1,73,80,515/- due on 31/03/2020 to 4 Debenture holders. The company has sought moratorium of six months from March, 20 to August, 20 from Debenture holders and Edelweiss Assets Reconstruction Company Limited. However, Company has paid interest to Debenture holders on July 16, 2020 and partial installment of ₹ 1,00,00,000/- to the Edelweiss Assets Reconstruction Company Limited on June 30, 2020 and July 10, 2020.

**39. EVENTS AFTER THE REPORTING PERIOD**

Due to the outbreak of Novel Coronavirus (Covid-19) pandemic and nationwide strict lockdown since March 25, 2020 to contain the same, no production was made in the month of April, 20. Production was started in phased manner from month of May, 20 with restricted movement of manpower as prescribed, taking all necessary steps for ensuring complete sanitisation and social distancing norms, and fully operational by the month of July, 20. However, the environment is fluid and uncertain making it difficult to predict the likely path of economic activity.

**40. APPROVAL OF FINANCIAL STATEMENTS**

The financial statements were approved for issuing by the Board of Directors in its meeting held on 30<sup>th</sup> July, 2020.

**41.** As per Ind AS 108-"Operating Segment", Company does not have any other operating segment.

**42. Other Notes**

The figures for the corresponding previous year have been regrouped / reclassified wherever necessary, to make them comparable.

#### 43. Amendments to Existing IND AS

The Ministry of Corporate Affairs vide notification dated 24th July, 2020 amended the Companies (Indian Accounting Standards) Rules, 2015.

##### 1. Indian Accounting Standard 1:- Presentation of Financial Statements

Paragraph 7, for the definition of the term "Material" the following is substituted.

**"Material:-** Information is material if omitting, misstating or obscuring it could reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements, which provide financial information about a specific reporting entity.

An entity shall apply those amendments prospectively for annual periods beginning on or after the 1st April, 2020.

Consequential amendment has been made in IND AS 8 Accounting Policies, Changes in Accounting Estimates and Errors, IND AS 10 Events after the reporting Period, IND AS 34 Interim Financial Reporting and IND AS 37 Provisions, Contingent Liabilities and Contingent Assets.

##### 2. Indian Accounting Standard 109:- Financial Instruments

IND AS 109 has been amended to provide "Temporary exceptions from applying specific hedge accounting requirements" by inserting Para 6.8 in the standard.

An entity shall apply these amendments for annual periods beginning on or after the 1st April, 2020.

Retrospective application of Para 6.8 applies only to those hedging relationships that existed at the beginning of the reporting period in which an entity first applies those requirements or were designated thereafter, and to the amount accumulated in the cash flow hedge reserve that existed at the beginning of the reporting period in which an entity first applies those requirements.

##### 3. Indian Accounting Standard 107:- Financial Instruments Disclosures

###### **New Para 24 H:-"Uncertainty arising from interest rate benchmark reform**

For hedging relationships to which an entity applies the exceptions set out in newly inserted Para 6.8 of Ind AS 109, an entity shall disclose-

- (a) the significant interest rate benchmarks to which the entity's hedging relationships are exposed;
- (b) the extent of the risk exposure the entity manages that is directly affected by the interest rate benchmark reform;
- (c) how the entity is managing the process to transition to alternative benchmark rates;

- (d) a description of significant assumptions or judgements the entity made in applying these paragraphs (for example, assumptions or judgements about when the uncertainty arising from interest rate benchmark reform is no longer present with respect to the timing and the amount of the interest rate benchmark-based cash flows); and
- (e) The nominal amount of the hedging instruments in those hedging relationships.

**4. Indian Accounting Standard AS 116 Covid-19-related rent concessions for lessees**

After paragraph 46 of IND AS 116 , the following Para is inserted, namely: -

**a. Para 46 A**

As a practical expedient, a lessee may elect not to assess whether a rent concession that meets the conditions in paragraph 46B is a lease modification. A lessee that makes this election shall account for any change in lease payments resulting from the rent concession the same way it would account for the change applying this Standard if the change were not a lease modification.

**b. Para 46 B**

The practical expedient in paragraph 46A applies only to rent concessions occurring as a direct consequence of the covid-19 pandemic and only if all of the following conditions are met:-

- (a) the change in lease payments results in revised consideration for the lease that is substantially the same as, or less than, the consideration for the lease immediately preceding the change.
- (b) Any reduction in lease payments affects only payments originally due on or before the 30th June, 2021 (for example, a rent concession would meet this condition if it results in reduced lease payments on or before the 30th June, 2021 and increased lease payments that extend beyond the 30th June, 2021); and
- (c) There is no substantive change to other terms and conditions of the lease.

After paragraph 60 of IND AS 116, the following Para is inserted, namely: -

**a. Para 60 A**

If a lessee applies the practical expedient in paragraph 46A, the lessee shall disclose-

- (a) that it has applied the practical expedient to all rent concessions that meet the conditions in paragraph 46B or, if not applied to all such rent concessions, information about the nature of the contracts to which it has applied the practical expedient.

**5. Indian Accounting Standard (Ind AS) 103:- Business Combinations**

New Para 64P has been inserted to amend definition of Business.

**Business:-** An integrated set of activities and assets that is capable of being conducted and managed for the purpose of providing goods or services to customers, generating investment income (such as dividends or interest) or generating other income from ordinary activities.

An entity shall apply these amendments to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after the 1<sup>st</sup> April, 2020 and to asset acquisitions that occur on or after the beginning of that period.
